

KB's Astro-MahaVastu

OAMRC Assignment 1

Assignment Goals

- Learn to find 16 MahaVastu Zones of Your Home from your Astro-MahaVastu Horoscope.
- Practice and become well versed with directions indicated by Signs on Box Cusp to recognise Box context related Activity areas in a building.

Rules

1. Cusp Sign on a Box of Horoscope represents MahaVastu Zone in a building.
2. A Box of a Horoscope represents an area for Activities in a building related with the context of the Box.

For Example: In KB's Astro-MahaVastu Horoscope, Cusp Sign on Box 4 is Gemini, representing NNW MahaVastu Zone. Context of Box 4 is the Front part and Facing of a building in Astro-MahaVastu. So, the Front part and facing of building (Column D in Horoscope) at the Present and Birth time home is NNW direction.

Rule for Signs owned by Rahu and Ketu

If Rahu or Ketu are in Cusp Sign of Box "A" but occupying Box "B", then take MahaVastu Zone represented by Cusp Sign on Box "B" for Activities related with Box A.

For Example: See in KB's Astro-MahaVastu Horoscope

- To find MahaVastu Zone for activities of Box 5, Cusp Sign on Box 5 is Cancer. Ketu is in Cancer Sign and is occupying Box 4. Cusp Sign on Box 4 is Gemini, MahaVastu Zone of Box 5 Activities will be NNW (Direction related to Cusp Sign Gemini of Box 4).
- To find direction and MahaVastu Zone for Activities of Box 11 and 12, Cusp Sign on Box 11 is Capricorn and Cusp Sign on Box 12 is Aquarius. Rahu is in Capricorn Sign (Cusp sign of Box 11) but occupying Box 10. Cusp Sign on Box 10 is Sagittarius. So, MahaVastu Zone for Activities of Box 11 and 12 will be NE (Direction related to Cusp Sign Sagittarius of Box 10).

Important points to keep in mind

1. Use Gridded Maps of both Present and Birth time homes.
 - Birth time home means where mother conceived and stayed during pregnancy and NOT the place of delivery.

For Example: KB's Birth time home is in Rama, Punjab. Mother went to Ludhiana for delivery. But for Astro-MahaVastu Analysis, Birth time home plan at Rama will match with KB's Horoscope.

KB's Astro-MahaVastu

OAMRC Assignment 1

2. While making Astro-MahaVastu Horoscope, use birth place for Birth time Home and Present place for Present Home. Always use the place where the building is located for its Astro-MahaVastu Analysis.

For Example: For KB's Astro-MahaVastu Analysis; 'Rama' will be used as Place in Horoscope for relating with Birth time Home and 'Delhi' will be used as Place in Horoscope for relating with Present time Home.

3. In case of delivery in Hospital, hospital plan is NOT considered for Astro-MahaVastu Analysis.
4. For Astro-MahaVastu Analysis of present time, KB's present home plan at Delhi will be considered. KB's birth time home plan will be considered for relating with the events only till KB stayed at Rama.
5. For observing and matching facing of a home, notice Cusp Sign on Box 4. If it doesn't match, check the following:
 - Check if Cusp Sign is in 4° Orb with another Sign, then match with direction indicated by other Sign.
 - Check if previous or next Sign matches with facing of home, then consider if your birth time needs correction.

Special Comments and Notes

1. Each direction creates a specific experience for a person according to Boxes of his Horoscope. MahaVastu Zones represented by 12th and 8th Box Cusps will create experience of weakness and problems for a person according to Astro-MahaVastu.
2. Activities in MahaVastu Zones verifies the enabled Sign in case of Orb Cusps.

For Example: In KB's Horoscope, 9th Box Cusp has Sc and Sg (4° Orb). There is no Activity related with 9th Box in Zone of Sc but it is in Zone of Sg. So, after verifying facts, we consider Sg as Cusp Sign for Box 9, not Sc. Therefore to manifest Activities of Box 9, suggestion for KB is to sit in NE (MahaVastu Zone related with Box Cusp Sign Sg).
