

KB's Astro-MahaVastu

OAMRC Assignment 3

Assignment Goals

- Learn to relate Astro causes for placement of Objects and Sub-Objects in a MahaVastu Zone due to Hit/s of Planet/s on Box representing this Zone.
- Practice to differentiate placement of an Object and Sub-Object in a MahaVastu Zone; whether it is due to an occupant Planet or due to Planetary Hit on a Box.

Table 3.1: Objects and Sub-Objects according to hits.

Hits		Influence
1	0°	Mixed Traits
2	30°	Assisting
3	45°	Pausing
4	60°	Supportive Essential
5	90°	Stopping
6	120°	Very essential
7	135°	Pausing
8	150°	Assisting
9	180°	Blocking

Rules

1. A Planet adds an Object or Sub-Object of its traits in a MahaVastu Zone of a building through its hit on corresponding Box.
2. 9 types of Hits add assisting, supportive, pausing, stopping, blocking or essential characteristics to Objects or Sub-Objects in a Box (Refer table 3.1).
3. An added Object is found in a MahaVastu Zone represented by Cusp Sign of Hit Box.

4. A Hit also adds traits of Sign and Box occupied by hitting Planet to the added Object.

5. The added Object gets placed in the Activity area of the hit Box.

For Example: See in KB's Astro-MahaVastu Horoscope. 30 Su.Aq.12 on Box 1 adds an Authority (Su) assisting (30°) Objects (Documents) based upon Public Welfare (Aq) from context of Daily use (Box 12) of Governing Body (Box 10). See Ra-Ke Rule 3), are placed in East (Ar. Box Cusp 1). Astro-MahaVastu verified Objects are Government issued licenses, cards and other documents placed in drawers of cupboard in East Zone.

6. In case the Hit Box has two Cusp Signs (due to 4° Orb Rule), then Object/s are added to both or either of the Signs.

Rules for Rahu and Ketu

1. Ra and Ke add their Objects and Sub-Objects in the MahaVastu Zones represented by Box Cusp Signs of Planets hitting Ra or Ke.
2. Objects of Ra and Ke get placed in the Boxes of Planet's hitting Ra/Ke.
3. If Hitting Planet (on a Box) is in a Box with Cusp of Sign Owned by Rahu/Ketu, or in the Sign owned by Ra/Ke, then added Object/s also have traits of Box occupied by Rahu/Ketu.

Important points to keep in mind

1. Check if Hit Box has two Cusp Signs due to 4° Orb Rule. (Follow Rule 6)
2. Check if Hitting Planet is in two Signs due to 4° Orb Rule. (Follow Rule 4 considering both Signs)
3. Check if Hitting Planet is in Sign or Box owned by Ra/Ke. (Follow Ra/Ke Rule 3)
